STATE CORPORATION COMMISSION
BUREAU OF INSURANCE

October 25, 1978

1978-13

TO: All Licensed Insurance Companies Qualified to
Write Industrial Life Insurance in Virginia

RE: Street Address of Branch Offices

Gentlemen:

On December 1, 1976 this Bureau sent to all companies licensed to write and service industrial life insurance Memo 76-3. This Memo directed itself primarily to "Blinds", "Chokes", "Blind AD's" and "Silent Advances."

Our investigative staff has been and will continue to spot check the various companies to assure compliance with this Memo and the Virginia Insurance Laws. To assist us in these ongoing investigations, this Bureau requests that you furnish to us the current address ("Street Address", not Post Office Box) of all offices servicing debits in this state. We also request that you advise us of any changes of address and the opening or closing of any offices that may occur in the future.

Your cooperation will be appreciated.

Yours truly,

R. L. Burroughs
Investigator

RLB:dj

If this experience does not agree with the Calendar Year figures submitted to the Virginia Compensation Rating Bureau (or to the National Council on Compensation Insurance), please explain the differences and provide a reconciliation.

If your company is a member of a group of insurers under common ownership, control or management, please supply the information above separately for each carrier in that group that writes Workmen's Compensation Insurance in Virginia.

If any questions arise, please contact John M. Matzner, (804) 786-3665 immediately. This data should be submitted no later than November 24, 1978. Your prompt cooperation in this matter is greatly appreciated.

Very truly yours,

James W. Newman
Acting Commissioner
