ADMINISTRATIVE  
LETTER 1982-9

TO: ALL COMPANIES LICENSED TO WRITE MOTOR VEHICLE LIABILITY  
INSURANCE IN VIRGINIA

RE: Uninsured Motorists Rule and Rate Revisions  
Revision to Forms VA CP-19 and VA CP-20

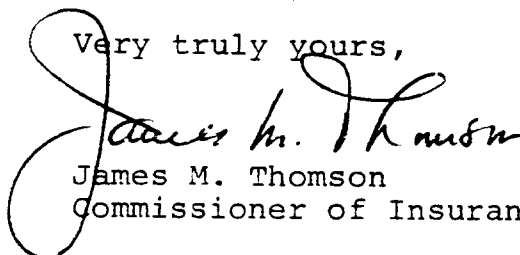

By Administrative Order No. 7495, entered by the State Corporation Commission on April 2, 1982, amendments were approved to the Rules and Rates for writing basic limits Protection Against Uninsured Motorists Insurance, on all new and renewal Automobile Liability Insurance policies effective on and after July 1, 1982. Rates for increased limits of Uninsured Motorists Coverage were not amended.

Rather than require all companies to file amended forms VA CP-19 and/or VA CP-20 at this time to reflect only these changes, the Bureau of Insurance will adjust the VA CP-19 and/or VA CP-20 forms of each company presently on file with the Bureau to reflect the amended Rates for basic limits Uninsured Motorists Coverage, effective July 1, 1982.

It will be the responsibility of each company to complete all future VA CP-19 and/or VA CP-20 forms filed with motor vehicle insurance rate revisions effective July 1, 1982 and subsequent to reflect these changes.

Should you have any questions concerning this matter, kindly communicate same to the Bureau in writing.

Very truly yours,

  
James M. Thomson  
Commissioner of Insurance
