**TO: All Companies Licensed to Write Commercial Liability Insurance**

**RE: Supplemental Reports for Potentially Noncompetitive Lines and Subclassifications of Commercial Liability Insurance as Required by Virginia Code Section 38.2-1905.2 Not Due until May 1, 1996**

The Supplemental Reports for lines and subclassifications of commercial liability insurance designated by the State Corporation Commission as potentially non-competitive will not be due until May 1, 1996. Please be advised that no Supplemental Reports or special data call reports are due this year. It should be noted, however, that the Supplemental Reports due in 1996 will include years 1994 and 1995.

Please advise the appropriate data reporting departments that no Supplemental Reports are due in 1995. If you have any questions, please call Eric Lowe at (804) 371-9628.

Insurers will be advised in January of 1996 of any changes in the reporting format, the lines and subclassifications that have been designated as potentially noncompetitive, and any additional reporting instructions.
