Honorable Alfred W. Gross  
Commissioner of Insurance  
Commonwealth of Virginia  
Richmond, Virginia

Dear Sir:

Pursuant to your instructions and in accordance with the requirements of § 38.2-1317 of the Code of Virginia, an examination of the affairs and financial condition of

**VIRGINIA FARM BUREAU  
FIRE AND CASUALTY INSURANCE COMPANY**

Richmond, Virginia,

hereinafter referred to as the Company, has been completed. The report thereon is hereby submitted for your consideration.

**DESCRIPTION**

The Company is a stock property and casualty insurer and was last examined by representatives of the Virginia State Corporation Commission's Bureau of Insurance (Bureau) as of December 31, 2005. This examination covers the period from the last examination through December 31, 2008.

**HISTORY**

The Company was granted a charter by the Virginia State Corporation Commission (Commission) on December 7, 1961 and commenced business on January 28, 1962. The purposes, in part, for which the Company was organized, according to the articles of incorporation, are as follows:

- (1) To make, issue and effect contracts or policies of insurance providing coverage for any and all classes of insurance, excluding life insurance, annuities and title insurance, ...

(2) To assume reinsurance from other insurance companies and to cede reinsurance to other insurance companies, with or without contingent liability or participation.

(3) To have and to exercise all powers necessary or convenient to carry into effect any or all of the purposes for which the corporation is organized, including the doing of any and all acts incidental to carrying into effect the purposes aforesaid.

The Company amended its Articles of Incorporation on April 6, 1993, to change its name from Early Settlers Insurance Company to its current name. Additionally, the Company amended its bylaws on May 26, 1993, to reflect its new name and the move of its Registered Office from the City of Richmond to the County of Goochland.

On June 30, 1994, the Company issued an additional 10,000 shares of common stock to Virginia Farm Bureau Mutual Insurance Company (VFBMIC), its parent and sole stockholder. VFBMIC paid \$350,000, which was composed of \$20,000 in common capital stock and \$330,000 of gross paid in and contributed surplus. On July 1, 1994, the Commission issued a Certificate of Amendment to the Company, which provided for the Company's common stock to have no par value. This transaction had the effect of transferring the balance of the Company's gross paid in and contributed surplus account to its common capital stock account, thereby bringing its balance to \$1,000,000. This transaction brought the Company into compliance with the minimum capital and surplus requirements of Code of Virginia § 38.2-1028.

On October, 31, 1994, VFBMIC transferred 100% of the common capital stock of the Company, along with \$953,620 in cash and 100% of the common capital stock of Virginia Farm Bureau Town and Country Insurance Company (VFBTCIC), to Farm Bureau Holdings of Virginia, Inc. (Holdings) in exchange for 100% of the common capital stock of Holdings. At the conclusion of the exchange, Holdings contributed an additional \$5,000,000 of paid in capital to the Company. In 1998, Holdings contributed another \$5,000,000 to paid in capital.

Also during 1998, Holdings issued 4,150 shares of its common stock to Southern Farm Bureau Life Insurance Company (SFBLIC) for \$9,900,000 in cash. This resulted in VFBMIC owning 70.7% of Holdings and SFBLIC owning the remaining 29.3%. In connection with this purchase of voting stock of Holdings, SFBLIC filed with the Bureau a disclaimer of affiliation which was accepted by the Bureau. In December 2006, VFBMIC paid \$10,000,000 in cash to purchase the 29.3% interest in Holdings held by SFBLIC. VFBMIC now owns 100% of Holdings.

## MANAGEMENT AND CONTROL

Office space and clerical help are furnished to the agents in their territories by county Farm Bureaus under a Memorandum of Agreement with the Federation, which are compensated by the Company based upon a percentage of premium income, or under a Joint Operations Agreement whereby the Company would incur all operational costs of the office.

Risks are bound by the agents when applications are accepted in the field from qualified applicants, after which policies are issued from the Richmond office. If an insured is subsequently found not to meet the Company's underwriting requirements, the policyholder may be notified that coverage will be canceled.

Losses are reported to the county Farm Bureau through which the application was taken. Claims are confirmed and adjusted by the Company's salaried personnel where practicable, otherwise independent professional adjusters or Farm Bureau insurance companies in other states are used.

The Bureau approved the original agreement and subsequent amendments. On December 13, 1995, the Company entered into a Net Premiums Reinsurance Agreement with VFBMIC, to be effective January 1, 1995. The agreement provides for reinsurance of 95% of the Company's net losses and underwriting expenses incurred, for which VFBMIC receives 95% of earned premiums less a commission of one half of one percent of premiums ceded. The Bureau approved this agreement. The Net Premiums Reinsurance Agreement dated March 24, 1966 between the parties shall remain in full force and effect for all net premium earned, net losses incurred, and net underwriting expenses incurred for accident years 1994 and prior.

On December 19, 1997, the Company entered into a separate Net Premiums Reinsurance Agreement with VFBMIC, which became effective beginning with accident year 1998. This agreement provides for the reinsurance of 100% of the Company's net losses and underwriting expenses incurred for all lines of business except automobile, for which VFBMIC receives 100% of earned premiums less a commission of one half of one percent of premiums ceded. The cession under the quota share agreement occurs after the cessions to the Pool and before the retrocessions back to the Pool participants.

For the 1999 accident year and for each subsequent accident year, each participant will assume a retrocession from the Pool in a percentage that will be determined by the Board of Directors of the participating companies in January of the applicable year. ## Management and Control

Virginia Farm Bureau Fire & Casualty Insurance Company receives investment management services from American Agricultural Insurance Company. We agreed that the terms and services provided should be more formalized, and therefore a written agreement between the parties describing the service, fees, and terms was executed on September 10, 2009.

We appreciate the guidance and cooperation extended by all participating throughout the course of the examination. We would appreciate receiving five copies of the final report.

Sincerely,

VIRGINIA FARM BUREAU FIRE & CASUALTY  
INSURANCE COMPANY
