Dear Sir:

Pursuant to your instructions and by authority of Section 38.2-1317 of the Code of Virginia, an examination of the records and affairs of:

**VIRGINIA COMMERCE
GROUP SELF-INSURANCE ASSOCIATION**

Richmond, Virginia

hereinafter referred to as the Association, has been completed. The report is hereby submitted for your consideration.

DESCRIPTION

The Association is a group self-insurance association licensed to provide workers' compensation coverage and employers' liability coverage to its members pursuant to Section 65.2-802 of the Code of Virginia and 14 VAC 5-370-10 et seq. (Rules Governing Group Self-Insurers of Liability Under the Virginia Workers' Compensation Act) promulgated by the State Corporation Commission (the "Commission").

The Association was last examined by representatives of the Commission's Bureau of Insurance (the "Bureau") as of December 31, 2005. This examination covers the period from January 1, 2006 through December 31, 2008.

HISTORY

The Virginia Retail Merchants Group Self-Insurance Association was licensed by the Bureau on January 1, 1982. In 1989, the Virginia Retail Merchants Group Self-Insurance Association changed its name to the Virginia Commerce Group Self-Insurance Association. On July 1, 1990, the Bureau revised the Association's license to authorize employers' liability coverage. According to the members indemnity agreement, the Association was formed to allow members to join together to provide for joint and cooperative action to self-insure and to pool their separate liabilities arising pursuant to the terms of the Virginia Workers' Compensation Act.

MANAGEMENT AND CONTROL

Control of the Association is vested in a Members' Supervisory Board (the "Board") elected by the members of the Association. The bylaws provide for no less than three nor more than nine Board members, all of whom shall be members of the Association in good standing. Each Board member shall serve a term of three years or until the members elect a successor.

TERRITORY AND PLAN OF OPERATION

The operation of the Association is confined to Virginia where it is licensed to transact the business of workers' compensation and employers' liability group self-insurance. Membership in the Association is available to applicants engaged in a similar type of business upon the approval of the Board, the Bureau and the Safety National Casualty Corporation, the Association's excess insurance carrier.

All members are required to enter into an indemnity agreement in which each member jointly and severally agrees to assume and discharge members' employers' liabilities and any and all members' liabilities covered under the Virginia Workers' Compensation Act. No formal insurance policy is issued to the members.

The Association has a contractual agreement with an administrator who shall administer and manage the affairs of the Association in accordance with the policies adopted and established by the Board. The administrator also functions as the claims service agent. The Association's operations are conducted on a calendar year basis.

ADMINISTRATIVE AND OTHER SERVICES AGREEMENT

Effective January 1, 2002, the Association entered into an administrative and other services agreement with Landin, Inc. ("Landin"). This agreement is effective for a period of one year and will automatically renew for additional one-year terms. Either party may elect to non-renew or renegotiate any portion of this agreement with 60 days prior written notice. According to the agreement, Landin is responsible for, but not limited to, the following:

- Advising the Board on policy matters and insuring that the provisions of the Board's contracts for services are met;
- Establishing and maintaining a set of books;
- Billing and collecting all sums due the Association;
- Contracting for the annual member payroll audits;
- Paying all items of expense in accordance with the policies of the Board;
- Investing the Association's fund surpluses as directed by the Board and properly accounting for all funds of the Association to the Board;

- Providing complete loss control services, which shall include conducting loss control evaluations of members, preparing and monitoring computer loss runs and furnishing complete claims handling services and administration for all workers' compensation claims and employers' liability claims to their conclusion.

As compensation for its services, Landin shall receive 10% of the net audited premiums collected. Total administrative and other service fees incurred for fiscal year 2008 were \$613,409. Additionally, Landin coordinates with Genex Services Inc., ("Genex") an outside claims review service company, for the review and completion of inpatient bill audits, the inpatient utilization review process and identifying any reductions from the application of any provider contracted allowances, fee schedules and negotiations generated from the cost containment program. Genex shall receive up to 25% of the savings generated by performing this service and such payments are made directly to Genex from the Association.

MARKETING AGREEMENT

Effective February 28, 2001, the Association entered into a marketing agreement with Landin. The agreement was amended effective January 1, 2007 and gives Landin the exclusive right to solicit participation and membership in the Association, including the right to subcontract with other licensed insurance agents and/or firms for a term of ten years. The agreement is thereafter renewable every five years. The agreement reflects the following commission schedule:

| <u>Premium Volume</u> | <u>Commission</u> |
|------------------------|--------------------------------|
| \$0 to \$100,000 | 11% of all net audited premium |
| \$100,001 to \$250,000 | 12% of all net audited premium |
| \$250,001 and above | 13% of all net audited premium |

As a production incentive, the Association shall also pay Landin a 2% commission for new business of \$50,000 or more for the year that the new business is produced. The production incentive will be based on audited annualized premium and paid on net audited premium for that year.

Either party may terminate this agreement by providing 90 days written notice prior to the effective date of termination. Total marketing costs incurred for fiscal year 2008 were \$725,442.

DIVIDENDS TO MEMBERS

RECOMMENDATIONS FOR CORRECTIVE ACTION

Management and Control

1. The results of this examination reflect an unrestricted members' equity deficit for the 1989, 1994, 1997 and 2008 fiscal years of \$25,054, \$17,701, \$12,279 and \$620,302, respectively.

The Board is reminded of its responsibility to assure that the Association is financially sound and able to fulfill its obligations under the Virginia Workers' Compensation Act. The Board must recognize the Association's financial condition and take necessary steps, which may include assessments, to eliminate all deficits.

Accounts and Records

- | | |
|--------------------------------|------------------|
| 2. <u>Premiums receivable</u> | <u>\$413,582</u> |
| <u>Premium refunds payable</u> | <u>\$352,002</u> |

The above amounts have been increased \$411,897 and \$352,002, respectively. The Examiners' amounts are based on a review of the subsequent 2008 payroll audits and reflect differences between audited contributions and contributions paid at December 31, 2008.

- | | |
|---------------------------------------|-----------------|
| 3. <u>Prepaid administrative fees</u> | <u>\$41,566</u> |
| <u>Prepaid service agent's fees</u> | <u>\$50,788</u> |

The above amounts are \$2,715 and \$3,334 less, respectively, than reported by the Association in its 2008 Annual Statement. The decreases are attributed to higher earned premiums developed from subsequent 2008 payroll audits, which are the basis for computing fees due to the Association's administrator/service agent.

- | | |
|---|-----------------|
| 4. <u>Excess insurance premium receivable</u> | <u>\$10,246</u> |
|---|-----------------|

The above asset is \$4,525 less than the amount reported by the Association in its 2008 Annual Statement. The Examiners' amount reflects the difference between the Association's excess insurance premiums paid in 2008 and premiums owed developed from subsequent 2008 payroll audits, which is the basis for computing excess insurance premiums.

5. Loss adjustment expenses unpaid \$307,830

The above liability is \$70,447 more than the amount reported by the Association in its 2008 Annual Statement. The increase in Loss adjustment expenses unpaid by fiscal year is as follows:

| <u>Fiscal Year</u> | <u>Association</u> | <u>Examiners</u> | <u>Increase</u> |
|--------------------|--------------------|------------------|------------------|
| 2003 | \$ 0 | \$ 10,999 | \$ 10,999 |
| 2005 | 7,171 | 15,860 | 8,689 |
| 2006 | 12,441 | 40,832 | 28,391 |
| 2007 | 66,979 | 89,347 | <u>22,368</u> |
| Total change | | | <u>\$ 70,447</u> |

The Examiner's increase results from a development of loss adjustment expenses paid and reserve changes occurring during the period January 1 through June 30, 2009, on claims incurred December 31, 2008 and prior. The Association should review its methodologies to ensure sufficient loss adjustment expense reserves are established in all future filings with the Bureau.

6. Contingency reserve \$1,145,611

The above liability is \$1,810 more than the amount reported by the Association in its 2008 Annual Statement. The Examiners' change is a result of an increase in earned premium based on a review of subsequent 2008 payroll audits, which is the basis for the calculation of the contingency reserve.

7. Taxes, licenses, and fees payable \$173,988

The above liability is \$31,927 more than the amount reported by the Association in its 2008 Annual Statement. The Examiners' amount was based on a review of invoices paid in 2009 for taxes pertaining to 2008.

8. Marketing fees payable \$8,072

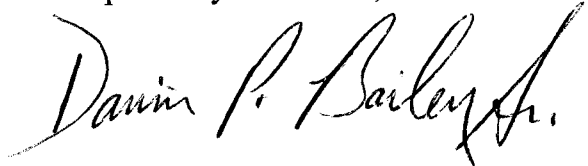

The above liability is \$7,940 more than the amount reported by the Association in its 2008 Annual Statement. The Examiners' change is a result of an increase in earned premium based on a review of subsequent 2008 payroll audits, which is the basis for the calculation of marketing fees.

CONCLUSION

The courteous cooperation extended by the Association's administrator and service agent during the course of the examination is gratefully acknowledged.

In addition to the undersigned, George E. Morgan, CFE participated in the work of the examination.

Dear Mr. Smith:

This is in response to your September 4, 2009, letter regarding the Virginia Commerce Group Self-Insurance Association's Examination Report as of December 31, 2008. We take no issue with any matter contained in the examination report. Regarding the recommendations for corrective action, we respond as follows:

Management and Control

1. As mentioned in our August 7, 2009, letter to Janis Bunce, we have requested permission to apply the excess contingency reserve to the 1989, 1994, and 1997 fund years to eliminate the deficits in those years. In a letter dated September 17, 2009, Janis Bunce indicated there was \$219,558 in excess contingency reserves available that could be applied to these fund year deficits.

We will continue to monitor the 2008 fund year deficit and reevaluate upon the filing of the 2009 annual statement due to the following:

- Investment earnings in 2009 and future years will be allocated based on the allocation formula. Thus, 2008 will continue to earn investment income during 2009 and beyond.
- The deficit includes IBNR, contingency reserve and restricted equity of over \$2.3 million, which taken together exceed the deficit in the 2008 fund year.

Based on the above, we believe the deficit is manageable and does not jeopardize the long-term financial integrity of the VCGSIA.

2. Premiums Receivable and Premium Refunds Payable – The increase in premiums receivable and premium refunds payable are due to differences between audited premiums and premiums received as of December 31, 2008.

3. Prepaid Administrative Fees and Prepaid Service Agent's Fees – The differences can be attributed to higher earned premiums developed from subsequent payroll audits, which are the basis for computing fees due to the Administrator and Service Agent.
4. Excess Insurance Premium Receivable – The change can be attributed to the difference between premiums paid in 2008 and premiums owed developed from subsequent 2008 payroll audits, which is the basis for computing excess insurance premiums.
5. Loss Adjustment Expenses Unpaid – All open VCGSIA claims are reviewed on a regular basis by Management. The timeframe for the management review is 30 to 120 days depending on the issues involved in each claim. Reserve adequacy is included in this review process. Landin strives to have its best estimate of a reserve on claims before they are six months old.

Regarding the loss adjustment expense noted in the examination report, the changes are the result of new litigation stemming from claims in which Landin is questioning the causation of current treatment/injuries to the original claim. This has necessitated either a file reopening or re-assessment of the expense cost of the claim.

6. Contingency Reserve – The difference can be attributed to an increase in earned premiums developed from subsequent payroll audits, which is the basis for the calculation of the contingency reserve.
7. Taxes, Licenses, and Fees Payable – The difference can be attributed to an increase in the liability for taxes pertaining to 2008, which is a result of the workers' compensation payroll tax assessment that was paid in 2009.
8. Marketing Fees Payable – The difference can be attributed to higher earned premiums developed from subsequent payroll audits, which is the basis for computing marketing fees.

I hope our responses are satisfactory. Should you have any questions or need any additional information, please do not hesitate in contacting us. Please provide 15 copies of the report. Thank you.

Sincerely,

Jonathan Phares, Chairman
