STATE CORPORATION COMMISSION

DIVISION OF COMMUNICATIONS

September 20, 2010

Mr. Stephen C. Spencer
Director – Regulatory
Verizon
703 E. Grace Street
Richmond, Virginia 23219

Dear Mr. Spencer:

This is in reference to Verizon South Inc.'s July 2, 2010 tariff filing and supporting documentation submitted pursuant to the administrative process authorized by the Commission's December 14, 2007 order in Case No. PUC-2007-00008. The Division of Communications has determined that the competitiveness test criteria set out in this order have been met for residential BLETs individual line service in the Colonial Beach, Franklin, King George, and Tazewell exchanges.

Accordingly, Verizon needs to resubmit tariff pages to reflect the competitive status of the four exchanges meeting the test as discussed above.

Very truly yours,

William Irby
