STATE CORPORATION COMMISSION DIVISION OF COMMUNICATIONS

March 11, 2010

Mr. Stephen C. Spencer
Director – Regulatory
Verizon Virginia Inc.
703 E. Grace Street, 7th Floor
Richmond, Virginia 23219

Dear Mr. Spencer:

This is in reference to Verizon South Inc.'s tariff filing received on December 16, 2009 pursuant to the administrative process authorized by the Commission's December 14, 2007 order in Case No. PUC-2007-00008. The Division of Communications has determined that the competitiveness test criteria set out in this order have been met for business BLETs individual line service in the Grottoes, Hayes, Keezletown, Raphine, and Windsor exchanges.

Verizon agreed to extend the original review that was scheduled to be completed by February 1, 2010 to March 16, 2010. Accordingly, Verizon needs to resubmit tariff pages to reflect the competitive status of the five exchanges meeting the test as discussed above.

Very truly yours,

A handwritten signature in cursive script that reads "William Irby".

William Irby
