## STATE CORPORATION COMMISSION DIVISION OF COMMUNICATIONS

September 24, 2010

Mr. Stephen C. Spencer  
Director – Regulatory  
Verizon  
703 E. Grace Street  
Richmond, Virginia 23219

Dear Mr. Spencer:

This is in reference to Verizon South Inc.'s tariff filing received on August 13, 2010 pursuant to the administrative process authorized by the Commission's December 14, 2007 order in Case No. PUC-2007-00008. The Division of Communications has determined that the competitiveness test criteria set out in this order have been met for residential BLETs individual line service in the Bluefield, Broadway, and Richlands exchanges.

In addition, Verizon has agreed to an extension for the Staff to complete its evaluation for residential BLETs individual line service in the Chancellor, Chuckatuck, Grottoes, Smithfield, Warsaw, and Windsor exchanges. The additional 45 day review for these exchanges is to be completed by November 12, 2010.

Accordingly, Verizon needs to revise the tariff pages included in the August 13, 2010 filing to reflect the changes discussed above.

Very truly yours,

A handwritten signature in blue ink that reads 'William Irby'.
