## **Competitiveness Test Salem Exchange**

### **Step A**

**A minimum of 75% of the businesses in the telephone exchange area can choose business telephone service from among at least two (2) competitors to Verizon**

This test is met by a number of competitors, including US Cellular, Sprint, AT&T Wireless, nTelos Wireless, and AT&T (see Attachment A—Salem).

### **Step B**

**A minimum of two (2) of the competitors to Verizon in part “a” must offer business local telephone service that may be purchased by the business customer without a corresponding requirement to purchase non-telecommunications services (e.g., video or broadband internet service) from that competitor**

This test is met by a number of competitors, including US Cellular, Sprint, AT&T Wireless, nTelos Wireless, and AT&T (see Attachment B—Salem).

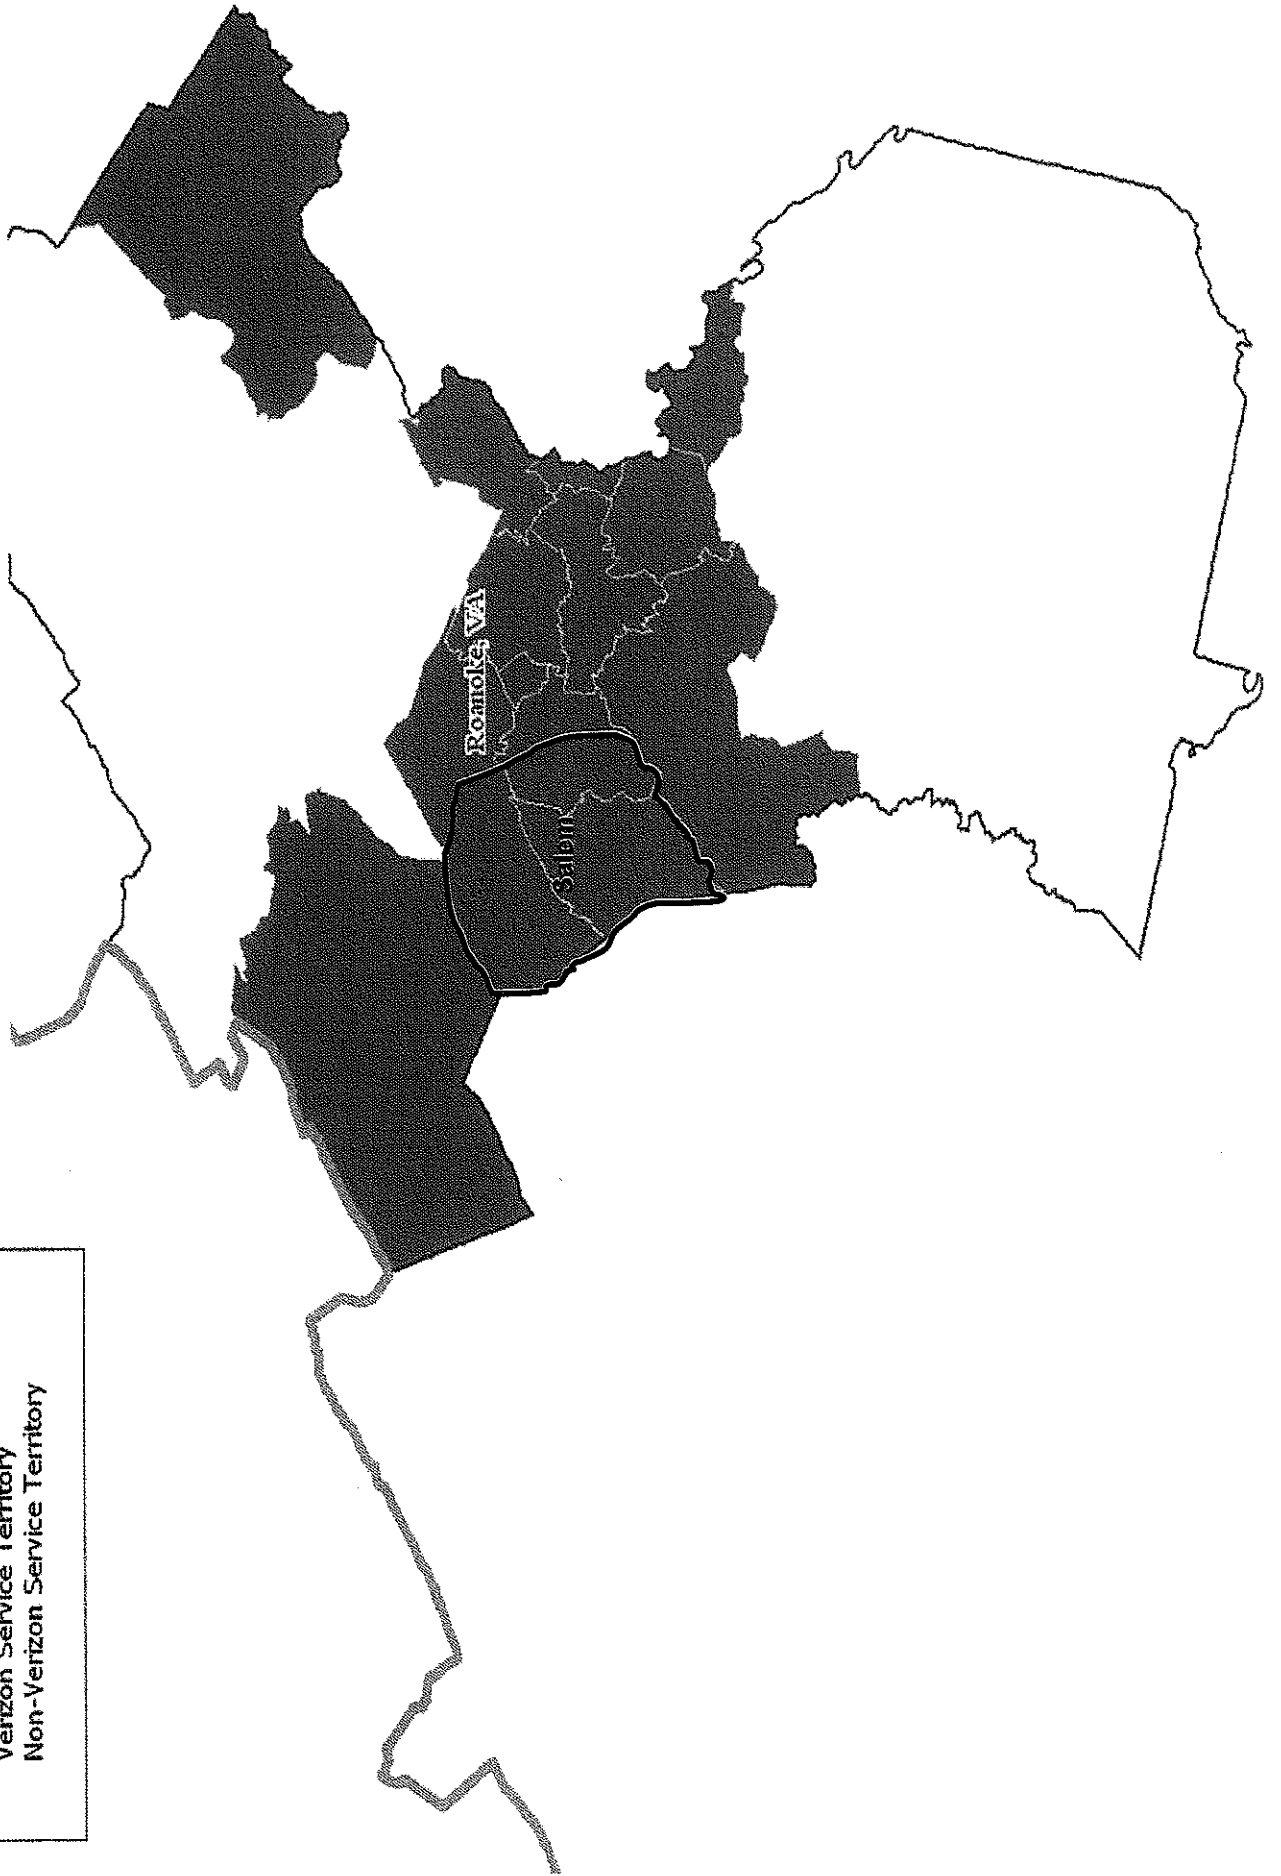

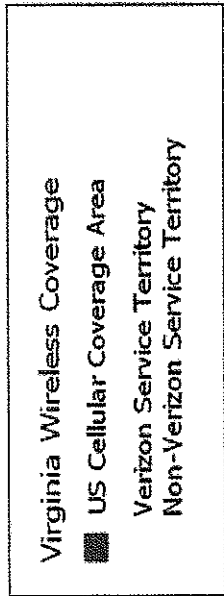

### **Step C**

**At least 50% of the businesses in the telephone exchange area can choose a facilities-based competitor that owns its own wireline network facilities**

This test is met by nTelos. [BEGIN CONFIDENTIAL] [END CONFIDENTIAL]

## **Competitiveness Test Winchester Exchange**

### **Step A**

**A minimum of 75% of the businesses in the telephone exchange area can choose business telephone service from among at least two (2) competitors to Verizon**

This test is met by a number of competitors, including Sprint, T-Mobile, AT&T Wireless, and AT&T (see Attachment A—Winchester).

### **Step B**

**A minimum of two (2) of the competitors to Verizon in part “a” must offer business local telephone service that may be purchased by the business customer without a corresponding requirement to purchase non-telecommunications services (e.g., video or broadband internet service) from that competitor**

This test is met by a number of competitors, including Sprint, T-Mobile, AT&T Wireless, and AT&T (see Attachment B—Winchester).

### **Step C**

**At least 50% of the businesses in the telephone exchange area can choose a facilities-based competitor that owns its own wireline network facilities**

This test is met by nTelos. [BEGIN CONFIDENTIAL] [END CONFIDENTIAL]
