## **Competitiveness Test Hopewell and Petersburg Exchanges**

### **Step A**

**A minimum of 75% of the residences/businesses in the telephone exchange area can choose residence/business telephone service from among at least two (2) competitors to Verizon**

This test is met by a number of competitors, including Alltel, AT&T Wireless, nTelos Wireless, Sprint Wireless, and T-Mobile Wireless (see Attachment A – Hopewell/Petersburg). Comcast also offers service in portions of the Petersburg exchange.

### **Step B**

**A minimum of two (2) of the competitors to Verizon in part “A” must offer residence/business local telephone service that may be purchased by the residence/business customer without a corresponding requirement to purchase non-telecommunications services (e.g., video or broadband internet service) from that competitor**

This test is met by a number of competitors, including Alltel, AT&T Wireless, nTelos Wireless, Sprint Wireless, and T-Mobile Wireless (see Attachment A – Hopewell/Petersburg). Comcast also offers service in portions of the Petersburg exchange.

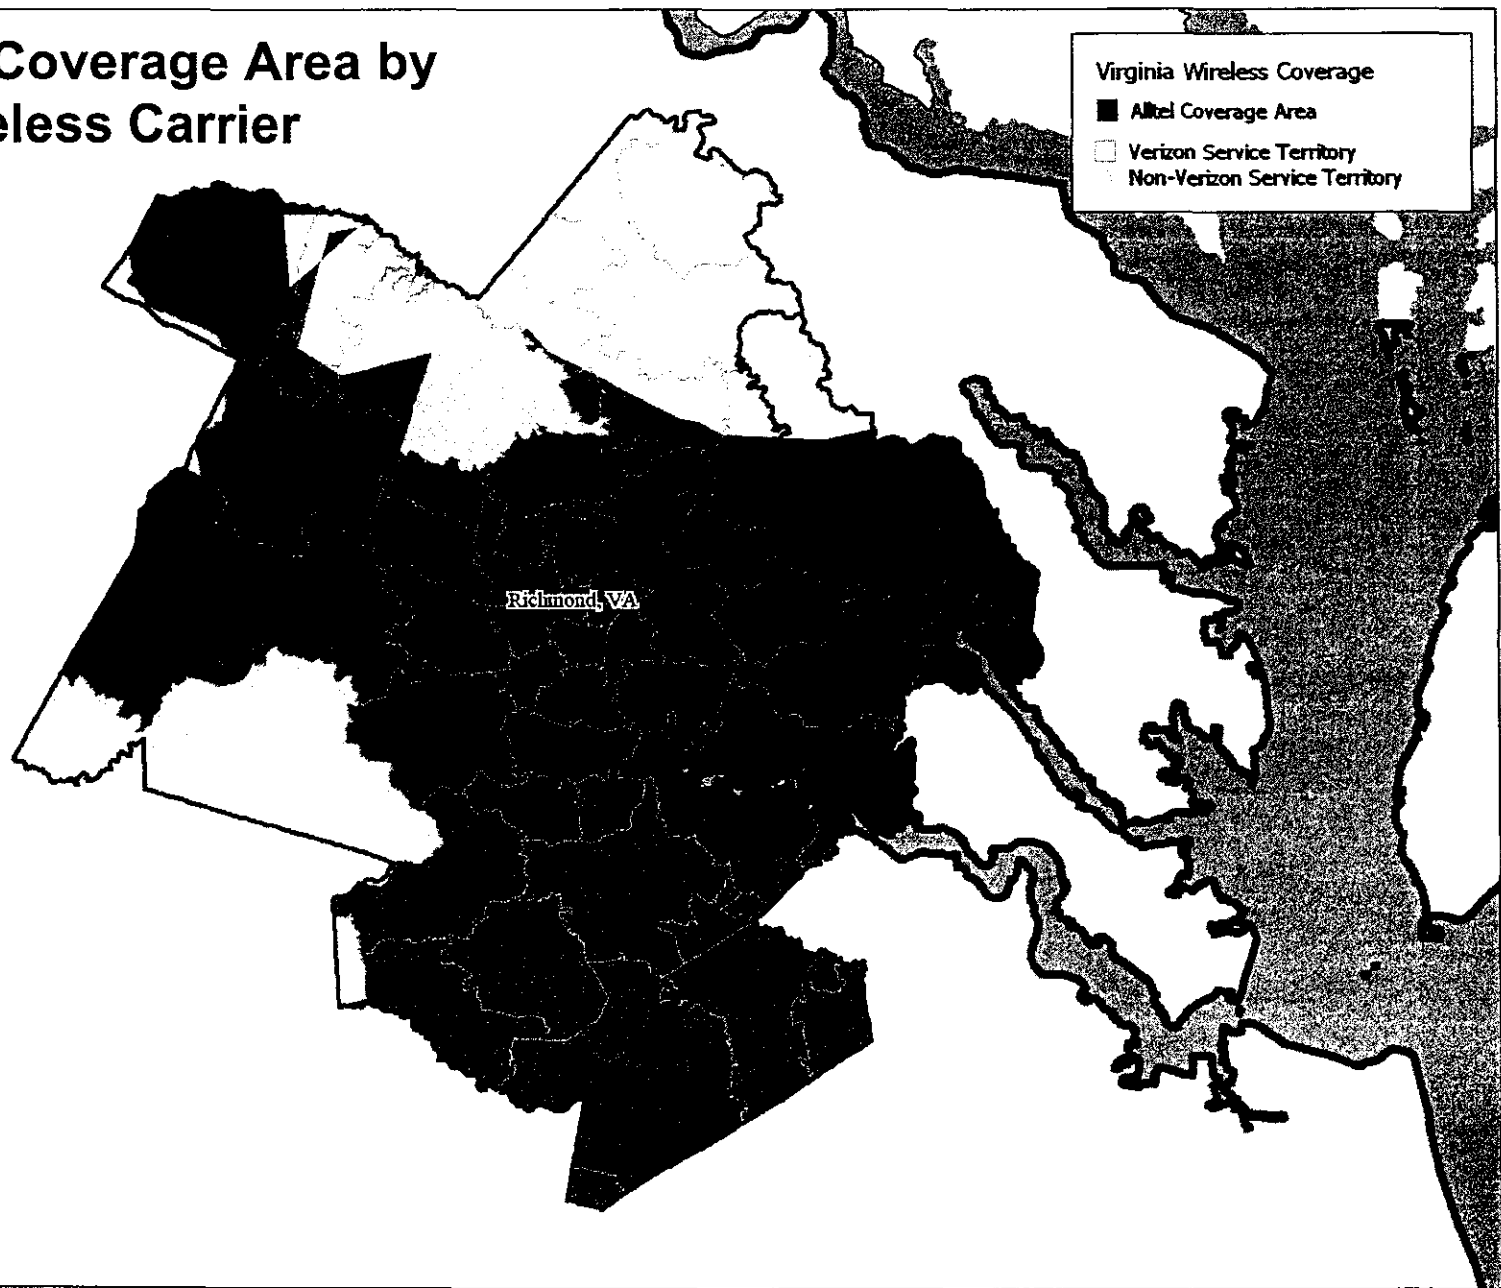

### **Step C**

**At least 50% of the residences/businesses in the telephone exchange area can choose a facilities-based competitor that owns its own wireline network facilities**

This test is met by Nationsline. [BEGIN CONFIDENTIAL] [END CONFIDENTIAL]
