**IN THE MATTER OF**

**VERIZON VIRGINIA, INC.**

**CASE NO. PUC-2002-00046**

**To verify compliance with the  
conditions set forth in 47 U.S.C. § 271(c)**

**HEARING EXAMINER'S RULING**

**July 15, 2002**

On July 12, 2002, the Staff of the State Corporation Commission ("Staff") filed a Motion to Substitute Exhibit 47 to Correct Record ("Motion to Substitute"). Staff moves that the complete document appended to the Motion to Substitute as Attachment A be accepted into the record and substituted for the previously admitted Exhibit 47. In support, Staff states that portions of the complete document, identified in the record as OSP HICAP flash, effective 5/10/2001, were inadvertently omitted in the Exhibit 47 admitted. Counsel states that he has served Attachment A electronically on counsel for Verizon Virginia Inc. and Verizon Virginia Inc. has no objection to the substitution of Attachment A for the previously admitted Exhibit 47. Good cause having been shown, I find the Staff Motion to Substitute should be granted. Accordingly,

**IT IS DIRECTED** that Attachment A to the Staff Motion to Substitute is hereby admitted into the record in substitution for the previously admitted Exhibit 47.
