### CLEC Tariffs:

Tariff ID	Company	Date Filed	Requested Effective Date	Subject
3522	JONES TELECOMMUNICATIONS D/B/A COMCAST	05/01/2003	06/01/2003	Jones is attempting to improve the flow of the tariff and utilize a title more reflective of the underlying information, Section 3 is renamed "Ordering Service". Also, the description of Switched Access Service components (found in Section 4) and their associated rates (found in Section 6) are modified. Some Switched Access rates have decreased while others are increased. In addition, the Company has removed one instance of obsolete language and has made minor text changes.
3523	US LEC	05/01/2003	06/01/2003	With this filing, US LEC introduces ADVANTAGE Power T Service and 'grandfathers' Advantage T-1 Service to existing customers. Also, US LEC is removing certain exchanges from its service coverage areas where it currently does not have facilities in place to offer local service. Finally, US LEC is also increasing the message rate for some T-1 based customers by \$.005 per message.
3530	CITY OF BRISTOL, BRISTOL VIRGINIA UTILITIES BOARD	05/06/2003	06/06/2003	The purpose of this filing is to clarify Caller ID rates. The Company has Caller ID rates which appear on Pages 94 and 95. The rates on Page 94, as noted, apply when customers do not meet the established bundling threshold of \$44.95, while the rates on Page 95 apply when the threshold has been met. This revision adds clarifying language to Page 95. In addition, the use of the term Call Management Features on Page 93, has been clarified to exclude Caller ID. Even though the service descriptions presently in the tariff indicate that Caller ID is excluded from Call Management Features, it is possible that confusion could result from the inclusion of Caller ID in the list of rates on Page 94. In addition, the proposed revision adds basic local exchange rates specific to the Abingdon and Meadowview exchanges and adds per use options for certain Call Management Features.
3533	GRANITE TELECOMMUNICATIONS, LLC	05/06/2003	05/08/2003	Granite Telecommunications LLC's initial SCC Tariff No. 3 - Access Service to provide telecommunications in Virginia.
3535	R&B NETWORK, INC.	05/09/2003	06/07/2003	Section 1 (Page 4) has been revised to add the Symbol (X) which signifies text moved to/from another page. Section 8 (Page 9-10) has been updated to add the new custom calling feature, Per-Line Blocking.
3538	MCIMETRO ACCESS	05/09/2003	06/08/2003	The purpose of this filing is to: 1) To expand the Local Plus Program; 2) To change the name of the Local and Long Distance Service Plus Plan to the Local and Long Distance Service Plus Plan/Local and Long Distance Service - Trunk Solution/Local and Long Distance Service - Line Solution II; 3) To expand the Local and Long Distance Service Plus Plan/Local and Long Distance Service - Trunk Solution/Local and Long Distance Service - Line Solution II and add a disclaimer; 4) To change the name of the Business Unlimited Program on the Local and Long Distance - Line Solution Service; 5) To expand the Local and Long Distance - Line Solution and add a disclaimer; and 6) To add a provision for PBX customers to the Business B2 Service. Revised pages include: 2, 4, 4.1.2, 77.5, 77.5.1, 103.1, 103.1.1, 103.1.2, 103.3, 103.3.1 and 114.1.
3540	GRANITE TELECOMMUNICATIONS, LLC	05/06/2003	05/08/2003	Granite Telecommunications, LLC's initial SCC Tariff No. 1 - Local Exchange tariff to provide telecommunications in Virginia.
3543	COMCAST PHONE OF VIRGINIA, INC.	05/16/2003	06/16/2003	The proposes an increase to its existing residential rates for Collect and Billed-to-Third Party Operator Services. Revise pages include SCC No. 1, Section 3, Page 33.
