5921	NTELOS Telephone Inc.	05/08/2009	07/01/2009	These proposed changes are being made under the Small Investor Owned Company Rules 20VAC 5-403. As a result of these changes, NTELOS expects its tariff to produce an additional \$226,808 in gross annual operating revenues, representing an increase approximately 2.0% in local operating revenues.
5922	R&B Telephone	05/08/2009	07/01/2009	These proposed changes are being made under the Small Investor Owned Company Rules 20VAC 5-403. As a result of these changes, Roanoke & Botetourt Telephone Company expects its tariff to produce an additional \$61,476 in gross annual operating revenues, representing an increase approximately 1.4% in local operating revenues. Revised pages: Section 1, pages 4a, 4b, and 5; Section 10, page 50; and Section 15, pages 2, 10 and 11.
5923	VERIZON VIRGINIA INC.	05/11/2009	06/12/2009	This filing is being issued to grandfather (Limited Availability designating LA-3) Verizon's Easy Number Call Routing Service. Grandfathering this option will have no impact on existing customers as Verizon will continue to maintain existing service. However, new installations, changes, additions or modifications will not be permitted as of the effective date of this tariff. Revised pages: SCC No. 204, TOC page 1, Section 26, pages 1- 10.
5929	United Telephone Southeast LLC	05/19/2009	05/22/2009	This filing purposes to obsolete Solutions - Residence Package Standard Home Phone Service II, as customers are often subscribing to alternative residence packages. In addition, this filing revises the Standard Home Phone II eligibility requirements to relax the requirement to maintain a long distance plan. New installations of this service will not be allowed. Customers subscribed to this service as of May 22, 2009 may continue to subscribe to this service as long as they remain at their current service location; therefore, current customers are affected. Revised pages: Section U13, page 4 and Section U113, page 6.1.
5930	CENDEL	05/19/2009	05/22/2009	This filing proposes to obsolete Solutions - Residence Package Standard Home Phone Service II, as customers are often subscribing to alternative residence packages. In addition, this filing revises the Standard Home Phone II eligibility requirements to relax the requirement to maintain a long distance plan. New installations of this service will not be allowed. Customers subscribed to this service as of May 22, 2009 may continue to subscribe to this service as long as they remain at their current service location; therefore, current customers are not affected. Also, a footnote was deleted from Ninth Revised Page 5 regarding Talking Call Waiting (TCW). The footnote was added to the tariff in error in 2007. The bundle already includes the option of the TCW feature or another call waiting feature, so Customers would not order both, rather, they would opt for one or the other. This footnote was intended for Progressive Plan bundle. Revised pages: 5, 1.6.
